More choices to help you achieve
your charitable goals

Our investment options and how we invest honor your generous commitment by amplifying your gifts helping to make the change that matters most to you.

With more choices to align with your values and financial goals, our investment options are designed to fit your individual investing preferences, time horizon and risk tolerance. In the end, your initial gifts may grow.

Together, we can make wise use of the abundant gifts we have all been given and in doing so, we support one another, repair what is in disrepair, and bring hope far into the future.

Thrivent Charitable Impact Fund™

(Actively managed)

Empower lasting change

Our investment options are led with the Thrivent Charitable Impact Fund™ (Impact Fund). The fund's investment strategy focuses on high-performing enterprises that help heal, support or advance our neighbors and our world.

With the Impact Fund, your investment works every day—through products, services and solutions—helping you intentionally use the gifts God has given you to create a better world. And you can multiply your service to humanity through your grants.

Thrivent Charitable Impact & Investing® is a public charity that serves individuals, organizations and the community through charitable planning, donor-advised funds and endowments. Thrivent Charitable Impact & Investing works collaboratively with Thrivent and its financial advisors. It is a separate legal entity from Thrivent, the marketing name for Thrivent Financial for Lutherans.

Donors must itemize deductions to receive a charitable income tax deduction. Charitable giving can result in tax, legal and financial consequences. Thrivent Charitable Impact & Investing® does not provide legal, accounting or tax advice. Consult your attorney or tax professional.

Insurance products, securities and investment advisory services are provided by appropriately appointed and licensed financial advisors and professionals. Only individuals who are financial advisors are credentialed to provide investment advisory services. Visit Thrivent.com or FINRA's BrokerCheck for more information about Thrivent's financial advisors.

While diversification can help reduce market risk, it does not eliminate it. Diversification does not ensure a profit or protect against loss in a declining market. Investing involves risks, including the possible loss of principal.

Performance results will include Thrivent Charitable administrative fees and may differ from the results of the underlying fund.
