Financial and tax implications

Congress has provided tax and financial incentives for charitable giving. To that end, the emphasis in this statement on philanthropic motivation in no way minimizes the necessity and appropriateness of a full and accurate explanation by the gift advocate of those incentives and their implications for the donor.

Full disclosure

The role and relationship of all parties involved in the making and distribution of gifts shall be fully disclosed to the donor.

Full compliance

A gift advocate shall comply with all applicable federal and state laws and regulations at all times.

Compensation

Payment of finder’s fees, commissions or other fees by Thrivent Charitable to a gift advocate as a condition for the delivery of a gift is never appropriate.

Affidavit
