

Create your charitable fund

Designated fund workbook

A Designated fund gives you the freedom to set up automatic annual grants to charities and causes you cherish.

You may choose how your fund's charitable assets are invested for long-term growth from a suite of Thrivent Charitable Impact & Investing[®] (Thrivent Charitable) portfolios. Your investment earnings are reinvested to grow your charitable fund, allowing you to amplify your generosity.

If you are interested in an Advise-As-You-Go fund, where you can make grants at times of your choosing, please visit thriventcharitable.com/giving/create-fund.

Step 3: Your Designated fund

Name your fund

Create a fund in your name or a name fitting your fund's purpose (e.g., The John and Mary Jones Fund).

Fund name: _____

Select your type of Designated fund

- Designated donor-advised fund:** A Designated donor-advised fund gives you the option to provide support to organizations annually, 5% in perpetuity, or grant 10% for 10, 15 or 20 years. The fund can be active in your lifetime or deferred until your passing. Additionally, a Designated donor-advised fund, gives you the opportunity to make changes even after the fund is established.
- Designated non-advised fund:** A Designated non-advised fund is established with a gift of qualified charitable distributions (QCDs) from an IRA. Because QCDs cannot be gifted to a donor-advised fund, donors choose the non-advised fund option. Designated non-advised funds do not allow changes once the fund is established.
