Confirm Grant Recommendations
NOTE: Your grant request is NOT submitted until you click the Confirm and Submit button (below). Clicking “Cancel” will take you back to your cart.

I understand that while the vast majority of grant recommendations can be honored by Thrivent Charitable, here are common types of grant requests that cannot be made:

1. Grants that provide a more than incidental benefit to the donor or other third party. This includes: all or a portion of the cost to attend a charitable event or banquet, goods bought at charitable auctions, raffle tickets, grants to satisfy a financial obligation or any individual or entity, grants that fulfill fundraising or other commitments or pledges, or that are directed to or for the benefit of specific individuals (e.g., school tuition, scholarships earmarked for individuals);
2. Grants to organizations whose purpose or work is not solely charitable or when the grant will be used for a non-charitable purpose (e.g., cemeteries, VFW, fraternal societies);
3. Grants to private non-operating foundations;
4. Grants to supporting organizations (501(c)(3)s identified in 509(a)(3) that do not have an IRS determination letter stating they are “Type I” or “Type II”.

By clicking the Confirm and Submit button, I recommend the grant(s) listed above. I understand that this recommendation does not represent the payment of any pledge or other financial obligation, nor provides any impermissible benefits.
