Suggesting a New Grantee

You may know of an organization or cause to which you would like to make a grant, however, after searching our database, you don't find it listed.

In these cases, you can easily suggest a new grantee and make a grant immediately.

- 1 After you have logged into your Fund Dashboard, navigate to the “[Recommend Grants](#)” page by clicking on the Fund Dashboard option in the top navigation bar and selecting the “[Recommend Grants](#)” option from the dropdown menu.

On this page, you will see instructions to recommend a grant, along with some requirements.

- 2 To begin finding information on available grantees, click on “[Search Available Grantees](#)” button.

The screenshot shows the Thrivent Charitable Impact & Investing™ Fund Dashboard. The top navigation bar includes a 'Logout' button and links for 'Fund Dashboard', 'Trusts & Gift Annuities', 'Scholarships', 'Contact Us', and 'Home'. A dropdown menu is open under 'Fund Dashboard', with 'Recommend Grants' highlighted. A blue line connects this menu item to the text '1 Click "Recommend Grants"'. Below the navigation, the page title is 'Recommend Grants'. The main content area contains instructions for recommending grants, including a list of steps and a note about the minimum grant recommendation of \$100. At the bottom, a yellow box highlights the 'Search available grantees' button, with a blue line connecting it to the text '2 Click "Search Available Grantees"'. The page also indicates that there are no items in the cart for the currently selected account.
