Scholarship Overview

The Mary Barbara Price Lutheran Scholarship Program For Undergraduates

The Mary Barbara Price Lutheran Scholarship Program for Undergraduates was established to benefit Lutheran students who are residents of Madera, Kings, Kern or Tulare County. The scholarship program is made possible through the generosity of donor Barbara Price, who created this permanently endowed fund at Thrivent Charitable Impact & Investing (Thrivent Charitable).

Through these scholarship awards, the donor wished to endorse the optimism and success of today’s youth and provide educational opportunities to outstanding individuals who have demonstrated their abilities and their desire to explore the unlimited possibilities available to them. The donor also shared a belief in the faith and values inherent in and promoted by colleges and universities affiliated with the Lutheran Church. It was the donor’s hope that recipients of this award similarly recognize such value, and that they, too, may one day be able to identify other students in need of educational scholarship assistance, also “passing it along” without carrying it as a debt to be repaid.
