

Create your charitable fund

Designated fund workbook

A Designated fund gives you the freedom to set up automatic annual grants to charities and causes that matter most to you.

You may choose how your fund's charitable assets are invested for long-term growth from a suite of Thrivent Charitable Impact & Investing® (Thrivent Charitable) portfolios. Your investment earnings are reinvested to grow your charitable fund allowing you to amplify your generosity.

If you are interested in an Advise-As-You-Go fund, where you can make a grant at a time of your choosing, instead of a Designated fund which is distributed annually, please visit thriventcharitable.com/giving/create-fund.

Step 3: Your Designated fund

Name your fund

Create a fund in your name or a name that suits your fund's purpose (e.g., The John and Mary Jones Fund).

Fund name: _____

Select your type of Designated Fund

- Designated donor-advised fund:** A Designated fund gives you the option to provide support to organizations annually, 5% in perpetuity, or grant 10% for 10, 15 or 20 years. A Designated fund can be active in your lifetime or deferred until your passing. Additionally, with a Designated donor-advised fund, you may make changes even after the fund is established.
- Designated non-advised fund:** A non-advised fund is established with a gift of qualified charitable distributions (QCDs) from an IRA. Because QCDs cannot be gifted to a donor-advised fund, donors choose the non-advised fund option. Additionally, a Designated non-advised fund does not allow for changes once the fund is established.
